**THE MEMORARE**

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thine intercession was left unaided. Inspired by this confidence, I fly unto thee, O Virgin of virgins, my mother; to thee do I come, before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy hear and answer me. Amen

Aged 81 years  
Rest in Peace

†

When you feel the gentle Breeze  
or the wind upon your face,  
Thats me giving you a great big hug  
or just a soft embrace

**Prayer of St. Francis**

Lord, make me an instrument of Thy peace,  
Where there is hatred, let me sow love;  
Where there is injury, pardon;  
Where there is doubt, faith;  
Where there is despair, hope;  
Where there is darkness, light;  
And where there is sadness, joy.

O Divine Master,  
grant that I may not so much seek  
to be consoled as to console;  
To be understood as to understand;  
To be loved as to love;

For it is in giving that we receive;  
It is in forgiving that we are pardoned;  
And it is in dying that we are born to  
Eternal life.

St. Francis of Assisi

**Road to Eternity**

Life is but a stopping place,  
A pause in what's to be.  
A resting place along the road,  
To sweet eternity.

We all have different journeys,  
Different paths along the way,  
We all were meant  
To learn some things,  
But never meant to stay...  
Our destination is a place,  
Far greater than we know,  
For some, the journey's quicker,  
For some, the journey's slow.  
But when the journey finally ends,  
We'll claim a great reward,  
And find an everlasting peace,  
Together with the Lord.

Those who die in grace go  
no further from us than God  
and God is very near.

**After Glow**

I'd like the memory of me  
to be a happy one.

I'd like to leave an after-glow  
of smiles when life is done.

I'd like to leave an echo,  
whispering softly down the ways.

Of happy times and laughing times  
and bright and sunny days.

I'd like the tears of those who grieve,  
to dry before the sun.

Of happy memories that I leave  
when life is done.

**His Journey's Just Begun**

Don't think of him as gone away  
his journey's just begun.  
Life holds so many facets  
this earth is only one.

Just think of him as resting  
from the sorrows and the tears.  
In a place of warmth and comfort  
where there are no days and years.

Think how he must be wishing  
that we could know today.  
How nothing but our sadness  
can really pass away.

And think of him as living  
in the hearts of those he touched,  
For nothing loved is ever lost  
And he was loved so much.
